

Technisonic is proud to offer
TDFM-9000 and Digital FM Communications,
Operations, and Installation Training.

Toronto, Canada
October 3-4, 2018

Class held at:

HILTON GARDEN INN
100 Traders Blvd.
Mississauga, Ontario, Canada, L4W 0B3
Tel: (905) 890-9110

Attendees should plan to arrive at the Hilton Garden Inn Hotel by the afternoon or evening of Tuesday, October 2nd, 2018. Each attendee is responsible for his/her own travel and hotel reservations. In the interest of convenience, it is recommended that all attendees stay at the Hilton Garden Inn Hotel. The phone number at the hotel is: (905) 890-9110.

Hotel room costs will be at the expense of the attendee. Please ask for our corporate room rate when making your reservation and checking in. Please be sure to mention that you are with the "Technisonic group." This will ensure that you are given our corporate rate.

Planned itinerary is as follows:

Wednesday, October 3rd, 2018

8:00 - 8:30	Introductions & Housekeeping
8:30 - 9:00	TDFM-9000 Series Introduction

11:00 - 12:00	Open Forum / Questions
12:00 - 1:00	Lunch
1:00 - End	Factory Tour / Questions / Support

Reference material will be provided. It would be helpful if each attendee were to bring a laptop as much of the class material and programming software is distributed in electronic format. We believe you will find the information presented in this class interesting and helpful in attaining a complete understanding of the TDFM-9000 Series radios and new APX-based programming.

If you plan to attend this class, please notify Jim Huddock at by phone: (612) 231-9020 or email: jhuddock@til.ca

PLEASE RSVP FOR THIS EVENT.
